

A Center for Independent Living

Disability Resource Center is currently seeking additional Board members to support the continued growth of the organization. Prospective board members should be a resident in Grundy County or Will County, preferably with disability. Board experience is not required, but members must be interested in our mission. We meet every 3<sup>rd</sup> Wednesday of the month.

### **Qualifications:**

- At least 51 % of the Board of Directors will be comprised of persons with disabilities.
- It is expected that acceptance of an appointment or nomination to the Board of Directors is combined with the ability and intention of serving out the term under consideration.
- It is expected that each Director attend regularly scheduled monthly meetings and provide meaningful input.

### **General Responsibilities:**

The Board of Directors acts as a governing body, setting and reviewing Disability Resource Center's policies that are developed to enhance the Center's capacity to serve individual and community consumers, and increase the DRC overall stability and integrity. The Board is not typically involved in the day-to-day operations of the Center.

### Mission Statement

**As people with disabilities and their advocates, the Disability Resource Center strives for equality and empowerment of persons with disabilities in the Will and Grundy areas.**
