TPC MISSION

The Will-Grundy County Transition Planning Committee is guided by the purpose of serving individuals with disabilities and the DHS Division of Rehabilitation Services mission of working in partnership with people with disabilities and their families to assist them in making informed choices to achieve full community participation through employment, education, and independent living opportunities. The monthly presentations allow the opportunity to provide information, education, and connection with support resources in the Will-Grundy County service area for the parents/guardians and students we serve in our community school districts.
